the shadows feel sort of dry, very atypical of nyx shadows in my experience, and wear off fast even with udpp underneath

anyone on meds needs to read pharmageddon, by dr healy for a clear picture of why many of these drugs are so dangerous

here are the results: out of 213 surveys; 67 responded that minimum wage in bc is 8.00 an hour, only 15.8 responded 6.00 which is the minimum an employer can pay...
